

RECRUITING ANNOUNCEMENT CHILD PSYCHIATRIST

Columbia River Mental Health Services, a not-for-profit mental health services provider located in Vancouver, Washington, believes whole-heartedly that people can and do recover from mental illness. We embrace evidence-based practices, knowing that the public deserves to receive services that work. Our services are culturally competent, and we vigorously pursue the diverse staff necessary to serve a diverse community. Currently we are recruiting for a Full-time Child Psychiatrist. CRMHS is located in Clark County which has been designated as a Mental Health Professional Shortage Area and qualifies for the student loan repayment program through the Health Resources and Services Administration (HRSA).

PURPOSE: To provide psychiatric medication, evaluation of children and adolescents, and parent's education. Provides medication management and education for nursing staff. Provides consultation for the Child and Family Department clinical staff.

ESSENTIAL FUNCTIONS / JOB RESULTS

- Conducting initial psychiatric evaluation of children and adolescents. Provide assessments, routine, and consultation services.
- Medication management.
- Provide psychotherapy treatments.

MINIMUM QUALIFICATIONS

Current Washington physician licensed to practice psychiatry, board eligible, board certified preferred. One year experience practicing child psychiatry. Experience in a community mental health center preferred.

CONDITIONS OF EMPLOYMENT

1. Satisfactory findings on a criminal background search.
2. Maintain current Washington State licensure.
3. Annual TB testing required.
